Birmingham's best and worst doctors surgeries can now be revealed with a new, simple tool to check how they each rank.

The GP Patient Survey 2021 covers everything from the trust patients have in their doctor, to the attitude of reception staff and how easy it is to get an appointment.

The Reach Data Unit has crunched the numbers in seven key areas, with every surgery across the country given a rank for its performance in each.

Each GP is surveyed on:

- How easy it is to get an appointment
- Whether opening times are convenient
- Whether people trust the GP
- Whether the GP listens to them
- Whether the GP treats them with care and concern
- Whether receptionists are helpful
- How patients rate their overall experience

Those category rankings were then added up to give an overall ranking.

1. Queslett Medical Centre in Great Barr
2. Woodland Road Surgery in Northfield
3. Kingsbury Road Medical Centre in Erdington
4. Keynell Covert in Kings Norton
5. Selly Park Surgery in Selly Park
6. Garretts Green Lane Surgery in Sheldon
7. Sutton Road Surgery in Erdington
8. Bloomsbury Surgery in Nechells
9. Dr Kulshrestha Family Practice in Winson Green
10. Kingsfield Medical centre in Kings Heath

*Surgeries that had fewer than 50 responses were excluded on the basis that the sample was too small to draw reliable conclusions.
