Comments, Feedback & Actions:

** I would highly recommend my GP to others- they are helpful, convenient and professional. I am happy with the service and staff and doctors. If I require assistance this is provided and I ask to see a doctor that fit into my working hours ** It is very competent and well run GP Practice with friendly staff who do a good job of offering care and treatment. Extremely professional too ** Staff & Doctors are very cooperating & helpful ** They are helpful & friendly & they do great job ** Both doctors are very good. Since I have come to England they are my doctors. Staff is excellent & very helpful. Manager is very good and helpful as well ** Drs are very caring and staff are very good ** Has been my doctor since a child and the doctors here are helpful every time I come . Reception is very helpful. Thank you **
